WARNING

No speed over 50km/h

Thoroughly clean with warm running water and dry before storage will ensure snow chain in good conditions after used.

Velocità non oltre 50km/h

Per mantenere le catene in buone condizioni, dopo l'uso pulirle accuratamente con acqua corrente calda ed asciugarle prima dello stoccaggio nella scatola.

ATTENTION

- Spare hook is included to use for better fitting and to put more strain on the side parts of the chain if needed. Pre-installed shortening hook can be removed if chain is strained well.
- The logo side of the puller should face outward while assembly to avoid scratch on the rim.

- Un gancio di ricambio come di accorciamento lunghezza è incluso nel caso sia necessario mettere maggiormente in trazione le parti laterali della catena. Il gancio preinstallato può essere rimosso se la catena è già ben tesa.
- Il lato con il logo nell'estrattore deve essere rivolto verso l'esterno durante il montaggio per evitare graffi sul cerchione.
